Dear Professor Simonsen,

At the suggestion of Mr. Jefroykin of Paris I take the liberty of soliciting an interview at your convenience, for the purpose of discussing some of the objects of the Jewish World relief conference, and how our London Lodge of the "B'nai-B'rith" might usefully co-operate with your association.

I should also like to know, which of the Meetings will be of chief interest, as I am afraid, my cure here will not permit me to attend more than one or at the outside two meetings. Perhaps we might be able to arrange with my Co-Delegate, Dr: Jochelmann, that he should attend some of the meetings, for which I could not make myself free.

I understand that you are dining at the "Walhalla", where my family and myself are also taking their meals almost daily between 1 & 2; we might perhaps be able to arrange for an appointment at your early convenience?

Thanking you in anticipation, I remain,

dear Professor Simonsen,

Yours very truly,

*J. Simonsen*
