SKINDERGADE 28

To the very Rev. Chiefrabby Jacob Meyer,
Jerusalem.

Dear Sir,

Yesterday I had your cablegram. About the want of Matzos for the Sephardim. Although I don't quite understand, how this want has come this year, when the great manufacture of Matzoth should have come in existing, I cabled that you should advance £ 5 for me. It should be too costly to cable the money to Jerusalem, and I therefore preferred to send a check per post and now beg you to receive this check, that some of the poor people could have their unleavened bread on the fest. I trust that you shall have the necessary sum from the great organisations and the great kehillot.

With best greetings,

Yours truly

D. Simonsen
