New York.

Gentlemen,

I thank you very much for sending me the pamphlet of Lucien Wolff, which has interested me in a very high degree. The protocols were also produced here, but I think that nobody took them earnestly here. Is the princess Raziwill a trustworthy person?

I have also to thank for your bulletin no.8, and should be glad if I could have also the numbers 1-7.

I am so often ask also by gentile journalists about Jewish matters, that it should be necessary that I have to hand all authoratative or quasi authoratative printed matters, especially from America.

With kind regards

Yours truly
