Dear Doctor Simonsen:

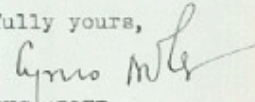

Pardon my delay in replying to your letter of March 4th. In the first place, I want to acknowledge with thanks your Six dollars (\$6.00) in cash, which covers your subscription not only for Volume 16, just completed, but also for Volume 17, which will begin in July.

With regard to the Poznanski article, it was translated into English from a manuscript supplied from the papers of Doctor Halper by Doctor Joseph Reider of this College. I have asked Doctor Reider specifically and he is quite sure that this was all that he secured and if there was an additional page, there is no way now in which it can be recovered.

My own impression of it was when it reached me that it was fragmentary and for a time I hesitated about its publication but finally decided to do so calling attention to its fragmentary character in an editorial note.

Believe me, with kind regards,

Faithfully yours,

CYRUS ADLER
