My dear Professor Simonsen

Many
many thanks to you & Mrs
Simonsen for your congratulations
on my joining the very
respectable Greisen garde
of which you are such
notable ornaments.

With singular tact
you have chosen for me

a very welcome gift of
tobacco. On 21st 23y I
confess to some scepticism
(a youthful failing) as to
whether it would suit my
pipe. But now that 21st
and my birthday are over
I have now smoked several pipes
of your tobacco & find it 300 3y 216.

I am leaving for Nuremberg
& Marienbad & only regret
that you will not be there.

Kindest regards

Yours sincerely

Erkan Adler
