וְכָל־עַמּוֹדֵן אֲלֵיכֶם תִּתְהִלֵּן וְאַתָּה תִּתְהִלֵּן
בְּעַמּוֹדֵן אֲלֵיכֶם תִּתְהִלֵּן וְאַתָּה תִּתְהִלֵּן

in case of fire or any other emergency. In such cases, it is important to have a clear understanding of the evacuation route and assembly point. It is also important to have a plan for dealing with any potential hazards, such as fire or smoke. In addition, it is important to have a plan for dealing with any potential injuries or illnesses that may occur during an emergency. It is also important to have a plan for dealing with any potential damage to the building or property. In addition, it is important to have a plan for dealing with any potential legal issues that may arise during an emergency.

The first term provides most of the capital needed for the project. This is followed by the second term which provides 50% of the capital needed for the project. The third term provides 25% of the capital needed for the project. The fourth term provides 15% of the capital needed for the project. The fifth term provides 10% of the capital needed for the project.
