## Vejledning i installation af Canon printer til Windows maskiner

Du skal installere en print driver for at kunne benytte bibliotekets printere fra din egen pc. Denne vejledning illustrerer hvorledes installationen foregår.

Hent 32 bits printdriveren fra denne adresse <u>http://print.e-pub.kb.dk/Drivers/o9b3enx.zip</u> Eller

Hent 64 bits printdriveren fra denne adresse <u>http://print.e-pub.kb.dk/Drivers/o9b4enx.zip</u>

Gem filerne på lokalt på maskinen og kør efterfølgende setup fra 32bit kataloget (eller fra 64bit kataloget, hvis det er denne driver der skal installeres).
