Preface

During 1992 the Royal Library of Copenhagen, the Danish National Library of Science and Medicine and IDE, the Danish Institute for the International Exchange of Publications agreed that all exchange of theses from the University of Copenhagen should be handled by the Danish National Library of Science and Medicine with effect from 1993.

Theses and other publications of the University of Copenhagen is a checklist of material available on exchange. It serves the purpose of facilitating selection of publications by our exchange partners.

Exchange of dissertations from other Danish universities should be arranged with the main library of the university in question.

Requests concerning publications from this checklist should be sent to the address mentioned on the previous page.
